PARITY & FAIRNESS THROUGH ADVOCACY

August 10, 2017

Dear Ms. Blazer,

In order to adjust for recent increases in the amount of per capita payments Local 6185 must pay to both the California Federation of Teachers and the American Federation of Teachers, it is necessary to pass these increases on (in accordance with both organizations' constitutions and bylaws) to the members of the bargaining unit. Therefore, beginning with the September 10, 2017 paychecks, the amount of money taken from all members and agency fee payers needs to be increase from 2.46% to 2.54% of their monthly gross income.

Please let me know if you have any questions.

Sincerely,

Mark J. Miller
