IT Pilot Survey

Q1 **Welcome to the research study!**   At Allan Hancock College, we value feedback from our students, faculty, staff and other community stakeholders.

     We are interested in learning more about your experience in the Industrial Technology program and are hoping you can help us by participating in this survey. You will be presented with information relevant to your experience with the Industrial Technology program, your access to information and resources, and questions about what you need to be successful. **All of your responses will be kept completely confidential and anonymous unless you provide information in your comments that would specifically identify you as a student.**

     Your feedback is important to us and plays a critical role in helping Hancock continue to provide a quality educational experience for students.

     The study should take about 5 minutes to complete. Your participation in this research is voluntary, **and you have the right to stop participating at any point, for any reason, and without any prejudice**. If you have any questions about the survey, contact the Office of Institutional Effectiveness at ahcsurveys@hancockcollege.edu.

     By clicking the button below, you acknowledge that your participation in the study is voluntary and that you are aware that you may choose to terminate your participation in the study at any time and for any reason.

○ I **consent**, take me to the survey

○ I **do not consent**, I do not wish to participate
