**Re: Executive Officers Decisions**

Dear Ms. Friedrich:

The Board of Vocational Nursing and Psychiatric Technicians Executive Officer considered the consultant's report relative to **Allan Hancock College, Vocational Nursing Program**. The following decisions were rendered:

1. Continue full approval of the Allan Hancock College Vocational Nursing Program for the period April 12, 2014 through April 11, 2018, and direct staff to issue a certificate accordingly.
2. Continue approval of the program's ongoing admissions to **replace** graduating classes, only, with the following stipulations:
  - a. No additional classes are added to the program's pattern of admissions without prior Board approval. **The program's pattern of admissions will include admission of one (1) full-time class of 40 students every 12 months, only; and,**
  - b. The director documents that **adequate resources, i.e. faculty and facilities, are available to support each admitted class of students; and,**
  - c. The program maintains an average annual pass rate that is compliant with Section 2530 (l) of the Code.

**Rationale:** The program's average annual pass rate has been 21 to 27 percentage points above the state average annual pass rate for the previous eight (8) quarters.  
The Allan Hancock College Vocational Nursing Program is currently compliant with all sections of Article 5 of the Vocational Nursing Rules and Regulations.

Please contact me if further clarification is needed.
