COSMETOLOGY/ MANICURING

The Cosmetology/Manicuring Program is designed to prepare students for licensing as beauticians or manicurists. Allan Hancock College offers cosmetology/manicuring training at the three locations listed below.

Santa Maria Beauty College
1778 S. Broadway, Santa Maria, CA 93454
Phone: (805) 928-1848

San Luis Obispo Beauty College
285 South Street, Suite N, San Luis Obispo, CA 93401
Phone: (805) 543-3305

Design's School of Cosmetology
715 24th Street, Suite E, Paso Robles, CA 93446
Phone: (805) 237-8575

The cosmetology program requires 1600 hours of classroom and lab training. New classes begin every six (6) weeks throughout the year.

The manicuring program requires 400 hours of classroom and lab training. New classes begin every six (6) weeks throughout the year.

To enroll, contact one of the beauty colleges or call Allan Hancock College, Office of Academic Affairs (805) 922-6966, ext. 3292 for detailed info.

In addition to Allan Hancock College fees, students will also be required to purchase a training kit and appropriate uniforms.

DANCE

DANCE 116 * Yoga-based Pilates

An introduction to yoga-based Pilates exercise techniques. .5 unit. (CR) Acceptable for credit: CSU, UC

[FULL] = Closed Classes

The Fast Track/Term 4 classes listed here were first listed in the spring 2006 credit class schedule. At the time of publication of this Fast Track brochure, classes marked as [FULL] have existing enrollment and are closed to further mail-in or in-person registration. However, students may choose to attend the first class session to check availability of enrollment with the instructor. The instructor's signature is required on a program change form to enroll.

INTERDISCIPLINARY STUDIES

INSTDY 379 Being a Successful Online Student

Designed to prepare students to enroll in hybrid and/or online courses. Hands-on use of Blackboard will be emphasized. 1 unit. (GR/CR)

Tkt#	Location	Rm	Instructor	Days/Times
6580	DL	TBA	Ramirez-Gelpi	TBA INTERNET

Tkt# 6580 meets 8 week(s) 3/27 until 5/23

Ticket #6580 is offered on the Internet. Students enrolling in this class will need Internet access and an email address. The Santa Maria campus and the Lompoc Valley Center each provide student access to the Internet on a first-come, first-served basis. Orientation is available online. Students should go to www.sgelpi.blogspot.com for login information. Students may contact the instructor at sgelpi@hancockcollege.edu. All exams are online, no on-site attendance is required.

INTERNSHIPS

Designed for students capable of independent work in a specific discipline who desire placement in an applied study beyond the classroom experience. This is a supervised on-the-job learning program relating to a student's career and educational goals.

Students wishing to enroll should first:

- Review the field experience opportunities by disciplines
- Contact the appropriate faculty member for advisement and supervision.
- Pick up an Internship packet (containing the internship contract) from the respective department secretary.
- Field experience units are earned based on total hours worked within the enrollment period. Every 75 hours of paid or 60 hours of non-paid work earns 1 unit of credit.

At the instructor's direction, students may also be required to sign-up for an Internship Seminar course (134). This corequisite class will provide them with a seminar format to discuss, analyze, and critically evaluate their work-based learning experience.

MEDICAL ASSISTING

MA 314 Medical Billing

Prerequisite: Completion of or concurrent enrollment in MA 327. Advisory: Math 325, CBOT 100 or 101 or 312. Prepares students to perform basic medical billing functions using a computer simulated program. Coding, forms, collections, and legal aspects of billing are covered. (E,S,U) 2 units. (GR)
