The District intends for all of its graduates to have mastered the competencies required by Title 5 and to have completed the courses required for an Associate in Arts, Associate in Science, Associate in Arts for Transfer, Associate in Science for Transfer or a program certificate. The District recognizes that required courses for various programs of study cannot always be offered on a schedule appropriate to all students. The District also recognizes that many courses taken at institutions other than Allan Hancock College may be the equivalent to Allan Hancock College courses.

If a student believes that another course can substitute for a required course in a program of study or that a course taken at another college is the equivalent of a course at Allan Hancock College, the student may request a waiver or substitution for that course using

the following procedure. Students are responsible for submitting any supporting information and verification such as course outline, transcripts and course descriptions.

Step 2 Within ten (10) regular session days of receiving the credit petition, the appropriate chairperson or, if the petition is for a noncredit program of study, the Dean, Community Education, shall review the petition in consultation with faculty within the discipline, determine if a course waiver or substitution of program requirement(s) is/are appropriate, approve or disapprove the petition, and notify the student and the student's academic counselor, in writing, of the decision.

Step 3 If the student is not satisfied with the decision of the department chair and wishes to pursue the matter further, the student shall submit the credit petition to the appropriate dean within ten (10) regular session days. Within ten (10) regular session days of receiving the petition, the appropriate dean shall review the petition, consult with appropriate faculty and/or staff, determine if a course waiver or substitution of program requirement(s) is/are appropriate, approve or disapprove the petition and notify the student, the student's academic counselor, and the department chair in writing of the decision.

In the case of noncredit programs of study, if the student is not satisfied with the decision of the Dean, Community Education, the student may submit the petition to the Vice President, Academic Affairs within ten (10) regular session days. Within ten (10) regular session days of receiving the petition, the vice president shall review the petition, consult with appropriate faculty and/or staff, determine if a course waiver or substitution of program requirement(s) is/are appropriate, approve or disapprove the petition and notify the student, the student's academic counselor, and the dean in writing of the decision.

Step 4 If the student is not satisfied with the decision at Step 3 wishes to pursue the matter further, the student shall submit the credit petition to the Vice President, Academic Affairs within ten (10) regular session days. The Vice President, Academic Affairs shall review the petition, consult with appropriate faculty and/or staff, determine if a course waiver or substitution of program requirement(s) is/are appropriate, approve or disapprove the petition and notify the student, the student's academic counselor, the department chair, and the dean in writing of the decision.

If the student with a noncredit petition is not satisfied with the decision at Step 3 and wishes to pursue the matter further, the student may move to Step 5.

Step 5 If the student is not satisfied with the decision of the Vice President, Academic Affairs and wishes to pursue the matter further, the student shall submit the petition to the Superintendent/President within ten (10) regular session days.
