Evaluation Team Visit
September 26-29, 2016

2016 Accreditation Evaluation Team Visit September 26-29, 2016

IN MARCH 2013, Allan Hancock College submitted its Mid-Term Report to the Accrediting Commission of Junior Colleges. The report reflected institutional progress in meeting the standards established by the ACCJC, Western Association of Schools and Colleges and broad college participation in the development of the report. A follow-up visit was conducted in April 2013. The accreditation process continues with the submission of Allan Hancock College's 2016 Comprehensive Institutional Self-Evaluation Report submitted in July 2016.

TEAM VISIT AND PROCESS

The 13-member team will arrive on the Allan Hancock College campus Monday, September 26, and the visit will conclude Thursday, September 29. The Allan Hancock College Boardroom has been designated as the visiting team's private work space. A sign will be posted to identify the room as the team space and to remind us they should not be disturbed. Specific hours have been scheduled for open meetings when the team is available to the entire campus community at the Santa Maria campus and Lompoc Valley Center. Team members will be provided name badges so that you will be able to identify them as they conduct their work on campus. Please facilitate the team's efforts by helping them observe how we function at Allan Hancock College as well as help validate the Self-Evaluation Report.

ON THURSDAY, September 29, the team will offer an exit report in the Severson Theatre. To the extent possible, please plan to attend to hear their preliminary findings.
