- Students are currently receiving California ServSafe Certificates for Food Handlers and Food Service Management.
- Wil Fernandez is interested in partnering with AHC for internships on behalf of his clients in food service, food production and winery tasting rooms.
- Lynn Mayer would like to see more hospitality representation at our Career Exploration Day. She will contact our partners.
- Christine explained the current Food Insecurities Partnership with SB Foodbank, SBCC and UCSB grant status. She shared the current estimate of less than \$5 per day for student food budget.
- LeeAnne shared the details and status of the new high school CTE Culinary Arts and Agriculture project next to the Elks Rodeo grounds.
- We passed out the survey and Nicole suggested converting the survey from paper to digital. The California EDD would like a copy of the aggregated results.
