Mission of the College: Allan Hancock College provides quality educational opportunities that enhance student learning and the creative, intellectual, cultural, and economic vitality of our diverse community.

Duties of the Committee: The AP&P Committee:

- guides the development of curriculum and encourages creativity, flexibility, and innovation in curriculum development. It is a multidisciplinary committee and must have the broadest of academic perspectives.
- is charged with the vigilant oversight of all of the college's curricula including the review, approval, and renewal of sound curriculum. Upon approval, the AP&P Committee shall offer its recommendations to the Academic Senate and Board of Trustees.
- certifies academic rigor, academic quality, academic integrity, and adherence to standards and regulations provided in Education Code and Title 5.
- refers curriculum matters beyond the scope of its normal business to the Academic Senate.
- examines, researches, and analyzes the issues presented for program vitality, and prepares a report with recommendations for consideration to the Academic Senate. The recommendations will be presented to the Senate Executive Committee and the Academic Senate.

First Reading/Consent Agenda:

Proposal Type	Prefix & Number	Course/Program Title (units)	Comments
Textbook Change	SOC 104	Social Science Research Methods (Lec 3) Prerequisite: SOC 101	The DL elements need to be updated.

Second Reading:

Proposal Type	Prefix & Number	Course/Program Title (units)	Comments
Major Modification	ANTH 105 ENGL 105	Language and Culture (Lec 3) DL: Yes Justification: The course is modified to meet C-ID requirements for transfer. The modifications are due 18 months after June 28, 2017. Modifications: Course Objectives and Content.	Review the attached file: C-ID Primary reviewer Email. Cross-listed Course: ENGL 105 TOP code: 2104.00 Human Services General. Thus, make corrections in ANTH 105 and align these changes in ENGL 105. DL: Remove any references to BlackBoard and use learning management system (LMS).
Course Review	ECS 125	Curriculum for School-Age Children (Lec 3) Advisories: ENGL 513, ECS 100, and ECS 101. Modifications: Methods of Instruction are more detailed. Methods of Evaluation. Texts and Other Materials.	
GE Request AHCGE, CSUGE, and IGETC	FILM 109	Contemporary Asian Cinema (Lec 2.5/Lab 0.5) Advisory: ENGL 101 Demand: Polls were taken in both Film 110 T/R 9:30 - 12:20 and Film 101 T/R 1-3. Each class has 25 students. When asked how many students would be interested in this course, the results were as follows: Film 110, 7 students, Film 101, 9 students. The film program fully enrolls multiple film studies courses every semester including summer. Contemporary Latin American Cinema is taught Fall, Spring and Summer every year fully enrolled.	AHC GE Cat 3 Humanities CSU GE Area C Arts and Humanities IGETC Area 3 Arts and Humanities Comments: Align Assignments with Evaluation.
NEW Course Proposal	FILM 129	Documentary Production Advisory: FILM 110 Justification: The curriculum has been successfully offered as an experimental course twice already. This course will be available as selected units going forward. Demand: This course has been offered successfully twice as FILM 179A, Documentary Production.	
Major Modification	FSN 132	Introduction to Culinology Professions (Lec 1) Advisory: ENGL 512 Rationale: Course review. Modifications: MOI, OA, and Text and Materials.	TOP 130600 Nutrition, Foods, and Culinary Arts SAM: Occupational Impact Report. AA Culinology CofA Culinary Arts and Management: Restaurant Management
Major Modification	GEOL 199D	Topics in Geology: CA (Transect) (Lab 2) Rationale: Course review for program review	Comment: Would the course meet the Health and Wellness:

		Modifications: SLO, MOI, Text and Other Materials.	Activity graduation requirement?
Course Review	GRPH 110	Introduction to Graphic Design Offering: Fall and Spring Modifications: Requisites, course objectives, outside assignments, and MOE.	SAM Code: Occupational. Text: Robin, Williams. Non-Designer's Design Book. 2008. Course impact: It is an advisory to GRPH 113, GRPH 115, and GRPH 117. It is part of a number of programs.
Course Review	GRPH 115	Digital Design and Publishing (Lec 2.5/Lab 0.5) Advisories: GRPH 110 or GRPH 112 or GRPH 113 Rationale: This course is being modified to reflect current practices in the industry in publishing and enhanced capabilities of the software about digital publishing and ebooks. In addition, the lab portion is being moved into a new proposed stand-alone course so that students have more lab time to learn and complete projects. Modifications: Units and hours (Increased lecture from 2 to 2.5 hours. Decreased lab hours from 3 to 1.5 hours), MOI, Textbook and other materials.	Course impact: AS Applied Design Media: Graphics
New Program	GRPH	Applied Design/Media: Graphics Certificate of Achievement Total major units: 35 Core: 26 Selected units: 9	Attachment: Applied Design Advisory Meeting 4-18-2016. No feasibility study. Note: Currently, we have the AS Applied Design/Media: Graphics with 35 major units.

Justification: In preparation for Program Review, consultation with our Advisory Committee and conversations with Margaret Lau, the need is clear that a Certificate of Achievement would serve students who are interested in employment in the field of graphic design.

It is important to have this Certificate of Achievement so that our students can be workforce ready if they are not able or interested in transferring to a CSU.

Description of Program Modification: This Certificate includes all of the Graphic Design specific coursework required for the AS degree. New and evolving technology has created a skills gap as it develops more quickly than the industry can keep up. Proficiency in current 2D and 3D design software and hardware are critical, creating a need for graphic designers with state-of-the-art skills.

This Certificate aligns with the mission statement "Allan Hancock College provides quality educational opportunities that enhance student learning and the creative, intellectual, cultural and economic vitality of our diverse community."

Major Modification DL Review	LBRY 170	Library Research Methods (Lec 2) DL: Yes. Previously approved. Advisory: ENGL 513 Justification: The course is being modified for two reasons. 1. To reflect a new textbook and 2. To add an additional option on the final capstone project that gives students more flexibility to demonstrate knowledge of learning objectives. Modifications: Course objectives, MOE, Text and other materials,	

Major Modification	NURS 101	Foundations for Caring (Lec 2) LOE: Admittance to the RN Program Modifications: MOI, Text, MOE, OA,	
Course Review	WFTL 321	Personnel Time Recorder J-261 (Lec 1) Advisory: WFTL 310 Modifications: Grading Method (Letter Grade or P/NP to P/NP).	Cal Fire SLO County Fire Department. 8-22-2014. The letter indicated, "prerequisites are no longer required".

Public Remarks
The section of the agenda is intended for members of the public to address the committee on items involving curriculum development and approval. Title: Applied Design/Media: Graphics
Award Type: Certificate of Achievement

The Applied Design/Media: Graphics Program is designed to prepare students for entry-level employment, entrepreneurship, and transfer to a four-year university graphics program. A variety of design career options are available including illustration, graphic design, design for print and digital publishing, web design and 3D modeling. Introductory courses will provide individuals with hands on experience using a number of visual mechanics techniques and software applications. Core courses will teach students an understanding of visual communications and provide a strong foundation of digital imagery concepts and skills. Capstone courses offer a unique opportunity to create a collective portfolio of student work.

The graduate of the Certificate of Achievement in Applied Design/Media: Graphics will:

- Apply methods of critical thinking through research, analysis, conceptualization and prototyping in the development of effective design solutions for a selection of visual communication problems.
- Create and develop visual form in response to graphic communication problems using the principles of visual organization and composition, information hierarchy, symbolic representation, typography, aesthetics, and the construction of meaningful images.
- Demonstrate proficiency in specific technologies to digitally create, capture and manipulate imagery and design components in the development of professional quality graphics for print and/or digital publishing.

- Integrate artistic expression, professional attitudes and effective working habits as individuals or as members of a team.
- Produce a digital portfolio that showcases individual graphic design competencies.

Academic Senate
Academic Policy & Planning (AP&P) Committee

Functions:
1. Provide recommendations, through the Academic Senate, to the Superintendent/President and District Board of Trustees regarding courses and instructional programs. This includes:
   a. New curriculum and programs.
   b. Proposed changes and revisions to existing curriculum and programs.
   c. Discontinuance of existing programs.
   d. General Education criteria.
   e. Board policies ~~on PCAs, curriculum development, and program discontinuance~~ ~~pertaining to curricular matters~~.

2. Provide recommendations to the Academic Senate on policies which define processes for creating and modifying curriculum and programs. When approved these policies are then housed in the ~~Academic Senate~~ AP&P Curriculum Development Handbook.

3. Submit recommendations (from 1 and 2 above) in the Curriculum Summary report to Academic Senate at least once per semester.

4. Annually prepare and deliver a report of accomplishments, challenges, and recommendations for improvement to Academic Senate at its first meeting in May.

Membership:
Voting Members - There shall be a member from each instructional department; one member from counseling; one member representing faculty from the Academic/Student Service Department, and one student member, who shall be from the ASBG ~~Commissioner of Curriculum~~.

Non-Voting Members - The vice president, academic affairs, shall be ex-officio without vote; the articulation officer shall be ex-officio without a vote (unless such member sits as the department representative from the counseling department); one member from the admissions and records office; one member from non-credit community education and programs~~;~~ and the curriculum specialist~~.; and the Banner specialist.~~

Eligibility - Faculty voting members shall be duly elected or appointed by the departments according to each department's procedures. All full-time faculty members of departments and counseling are eligible.

Length of Membership:

The term of office for faculty shall be for two years except where the incumbent is elected chairperson when it will then be extended to cover his/her tenure. The tenure of office for the student member shall be one year. The purpose of a two-year term is to have only one-half of the membership change each year, having no more than one-half of the members in their first term. There is no limit on the number of times a member or chair may be reelected. Since the chairperson may cast deciding votes, additional representation by his/her department is not required, and the tenure of his/her replacement may be adjusted to one year or three years as required to maintain the following scheduled elections:

ODD YEARS:	EVEN YEARS:
Applied Social Sciences	Business
Counseling	Fine Arts
English	Kinesiology, Recreation, & Athletics
Health Sciences	Industrial Technology
Life and Physical Sciences	Languages and Communication
Mathematical Sciences	Academic/Student Service Department
Public Safety	Social & Behavioral Sciences

Chair:

The election of the chair for the committee shall be in accordance with the Academic Senate Elections Code. The chairperson shall be elected on or before April I for the following term. Any presently serving voting member shall be eligible. Nominations shall be from the floor and voting shall be by secret ballot. In the event no current faculty member of the committee is willing to chair, the current chairperson of the committee shall so advise the Senate Executive Committee. The Senate Executive Committee shall then direct the Senate Elections Committee to obtain nominations and conduct the election of the chair in accordance the Academic Senate Elections Code. The term of office shall be two years. Any presently or previously serving voting member of the committee shall be eligible. In addition to developing the agendas and presiding over meetings, the chairperson may appoint ad hoc committees to study, investigate and report on any subject within the committee's purview.

Meetings:

Meetings are held ~~as needed~~ as mutually agreed by the committee. ~~Past practice is that~~ Meetings are typically held ~~on~~ every other Thursday afternoon ~~from 2 – 4 pm~~ unless the curriculum review load requires back to back Thursday meetings. The technical Review Committee meets the alternating Thursday afternoons. ~~from 2 – 4 pm.~~

Agenda:

The chair is responsible for preparing, distributing, and posting the agenda.

Minutes:

==The curriculum specialists is responsible for preparing the minutes.== The chair is responsible for ~~preparing,~~ distributing~~,~~ and posting the minutes.

Chair and Member Duties:

~~A description~~ ==The roles and responsibilities== of the chair and member duties <u>are</u>~~is~~ included in the Curriculum Development ~~Guide~~ ==Handbook==.
