

**Allan Hancock Joint Community College District  
Board Policy  
Chapter 4 – Academic Affairs**

---

**BP 4106 NURSING PROGRAMS**

Perspective registered nursing students who have already earned a baccalaureate or higher degree from a regionally accredited institution of higher learning are not required to complete any general education requirements that may be required for an associate degree. Instead, these students only need to complete the coursework necessary for licensing as a registered nurse.

The District shall utilize published criteria when screening students for admission to the Registered Nursing program.
