

## 2022-2023 CE Early Class Listing

Under Education Code 78401(c), colleges may allow the admission of minors to their noncredit programs. Under this provision, Allan Hancock College allows students 16 years of age and older to register for the noncredit courses listed below when the course is not available at their local High School or when the content of the course ensures their educational success at their local High School.

### Prefix/Number - Course Title

### Steps to register:

1. Apply for admission to the college.
2. Complete an orientation/SEP with a Noncredit counselor.
3. Use the “CE Early Entry” request form and ensure your HS counselor or principal sign the form.
4. If the request is approved, you are set to register for classes.
