1. A committee screens all resumes and transcripts. Ensure the resume provides enough details regarding meeting qualifications and/or meeting AHC equivalency to teach in the discipline.
2. Applicants will be assessed on the breadth and depth of education, training, experience, skills, knowledge, and abilities.
3. A limited number of applicants will be invited for an interview at the college at their own expense.
4. If you are selected, our recruiting team will reach out to you to discuss the next steps. Due to the high volume of applications we receive, we're unable to speak with everyone.
5. The district reserves the right to cancel any appointment or to reassign the area of service, extend time limits, reinitiate, or withdraw the recruitment/selection process at any time. Final candidates may be required to pass a pre-employment drug screening.

## **APPLICATION PERIOD:**

Resumes are accepted all year long for a variety of disciplines. Submitting a resume doesn't guarantee a teaching spot. The District reserves the right to extend time limits, and reinitiate or withdraw the recruitment/selection process at any point.
