

2021–2022 IGETC (For STEM)

For Biology AS-T and Chemistry AS-T Only - completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) for STEM will permit a student to transfer from **Allan Hancock College** to a campus in either the California State University or University of California system without completing all lower-division general education courses. After transfer, students will need to take one remaining lower-division general education course in Area 3, Area 4 and one course in a language other than English (for UC-bound students who have not satisfied it through proficiency). All courses must be completed with a grade of "C" or better ("C-" is not acceptable.) *Courses may not be used in more than one area.*

A score of 3, 4, or 5 is required to grant credit for IGETC certification. Each AP exam may be applied to one IGETC area as satisfying one course requirement, with the exception of Language Other Than English (LOTE). Students who have earned credit for an AP exam should not take a comparable college course because transfer credit will not be granted for both. There is no equivalent AP exam for Area 1b-Critical Thinking/Composition requirement.
