May 2025

## Allan Hancock College **Now!** Conditions for Enrollment 2025- 2026

1. All high school students must first meet with their high school counselor or guidance technician to discuss eligibility for enrollment. A principal or designee signature on this Petition for Enrollment is required and will indicate to Allan Hancock College that the coursework is not available at the high school.
2. **College Now!** Students may take up to a maximum of **11 units** in summer, fall, and spring semesters and winter intersession. If a College Now! student appeals the unit limitation, and is approved for 12 or more units, the enrollment fee and tuition are no longer waived and ALL fees apply.
3. **College Now!** students must complete the Allan Hancock College online credit admissions application, in addition to the **College Now!** Petition for Enrollment. This **College Now!** Petition for Enrollment is valid for the requested term only.
4. **College Now!** students must meet the stated prerequisites for all courses. Prerequisites may be met through courses completed at the high school or through the appeal process.
5. Students who wish to take courses must meet the stated academic prerequisites or co-requisites. Pre/co requisites are listed in the AHC catalog or current semester class schedule. High school students **are not** eligible to take courses at AHC if the courses are available at the high school.
6. When submitting the petition for enrollment, **home-schooled** students must provide Allan Hancock College with a current copy of the private school affidavit on file with the California Department of Education.
7. Once a College Now! student has obtained all of the necessary signatures, he or she must submit their completed College Now! Petition for Enrollment, along with unofficial high school transcript to: AHC Admissions and Records office for processing. Emails can be sent to the following email: [collegenow@hancockcollege.edu](mailto:collegenow@hancockcollege.edu)
8. **PE activity courses require permission of the instructor** of record which may be granted the first day of the term, if enrollment in the PE course permits adding **College Now!** students. After **College Now!** students submit the required paperwork to the AHC Admissions office, registration for PE courses will not open until the first day of the term. **College Now!** students must submit their paperwork prior to the semester start date to the Admissions office and obtain an add code from the faculty member the first day of the term.
9. The total number of units earned and grades received while enrolled in Allan Hancock College courses are recorded on the student's **college transcript** and are part of his/her permanent record.
10. In most cases, the enrollment fee is waived for **College Now!** students. However, **all other fees apply**. Other fees include health, parking, student center, and materials fees,. CN students are not required to pay nonresident fees. Failure to pay fees assessed at the time of registration will result in an administrative hold preventing future registration transactions and will result in being dropped from the courses.
11. Online Registration is available to **College Now!** students. Please see the current schedule of classes for **College Now!** Online Registration dates and times.
12. Once enrolled, **College Now!** students have the same rights and responsibilities that apply to all enrolled college students. Refer to the Student Records-Family Educational Rights and Privacy Act (FERPA) located in the current college catalog or on the **College Now!** information page.
13. Allan Hancock College assumes no responsibility for the attendance records of **College Now!** students.
14. **College Now!** enrollment is limited to students who reside and are enrolled in **Santa Barbara and San Luis Obispo county** high schools and home schools only.
15. A **College Now!** student is expected to complete all class requirements, maintain a 2.0 grade point average or higher in all college courses, and adhere to Allan Hancock College's Guidelines for Student Conduct (refer to the College Catalog).
16. **Receiving substandard grades and/or failure to complete course work may result in academic probation as well as affect future financial aid eligibility.**
17. Failure to comply with any of the conditions listed above and/or registering for non-approved courses/units will result in being administratively dropped from those courses/units and a loss of future **College Now** privileges.
18. **Student, Parent, and Principal/Designee—please read the following information carefully:** By entering a college environment, students who are minors will be exposed to educational settings designed for the adult learner that may involve topics that might be considered controversial in the secondary school setting. Also, if a class does not meet at its scheduled time (i.e. class ends early or is canceled), Allan Hancock College does not inform parents/guardians nor will staff or the instructor assume responsibility for student once class is released.
19. **HIGH SCHOOL PRINCIPAL OR DESIGNEE:** California Education Code requires that students who are still enrolled in high school, wishing to enroll at a California Community College, must be recommended by their principal or his/her designee. By signing this, the principal or his/her designee has made the determination, based on the appropriate Allan Hancock College assessment, that the student is prepared for and can benefit from college level coursework, and is recommended to enroll in the following courses for the semester noted above, and that the student has exhausted all opportunities to enroll in an equivalent course at his or her school of attendance. The instructor of record is legally prohibited from signing this form as the principal's designee.
