

Extenuating Circumstances Refund Request Form

Students who find it necessary to drop individual classes or withdraw from school may apply for a refund if class(es) are dropped within 10 percent of the scheduled class time. They should submit a "Refund Request Form". Critical dates for each course (i.e.; Last day to drop with a refund, Last day to drop without a "W", etc.) are listed on myHancock class schedule. The deadlines for your class(es) are listed on myHancock under "Schedule/Fees/Deadlines."

A student may submit this form if he/she was not able to drop classes by the published deadline due to extenuating circumstances. This may include family emergencies, injury, illnesses or employment. All situations require written verification from an official source and must have documented dates confirming the extenuating circumstances.
