2024-25 Eligible Majors Form

Financial aid students must be in an eligible major in order to receive financial aid. Your admissions information indicates that you are “undecided” on your major or indicates that you have declared an ineligible major. Please review the list of majors below and indicate your ONE major choice. If you are planning to transfer to a four-year college, you must indicate your current major at AHC or you must check the appropriate Liberal Arts –Transfer option.

*Students who choose a major that is offered as a certificate program only will have their financial aid eligibility limited according to the Allan Hancock College financial aid Satisfactory Academic Progress (SAP) policy. The SAP policy states that students enrolled in certificate programs must complete their goals by the time they have attempted 150% of the number of units required for their program.

You must check ONE of the programs, sign the top of this form and return it to the financial aid office to be considered for financial aid funding.

Check ONE of the following:
