## 2024-25 Housing Plans Verification

Starting with the 2024-25 academic year, information regarding housing plans is no longer being collected on a student's financial aid application (FAFSA or Dream Act). Housing plans impact a student's cost of attendance (COA) and how much financial aid they may receive.

If you are a new, dependent student, you will be assigned an 'at home' COA. If you are a new, independent student, you will be assigned an 'off campus, not at home' COA. If you are a continuing student, your housing plans from the previous year will be carried over.

If your housing plans have been assigned incorrectly, or if you need to adjust them, please use this form to request an update.

For the 2024-25 academic year (July 1, 2024 – June 30, 2024), I will be living:

- At home, with parents
- Off campus, not at home
