I am the child of a parent or guardian who died in the line of duty while either (a) serving on active duty as a member of the U.S. Armed Forces on or after September 11, 2001; or (b) actively serving as and performing the duties of a public safety officer; and I am less than 33 years old as of January 1, 2024.

I made an error on my financial aid application. I am not a child of a parent or guardian who died in the line of duty.

If you checked the **first box**, you must provide supporting documentation. Acceptable documentation may include, but is not limited to, the following:

- A copy of the servicemember's DD Form 1300 (Report of Casualty) which documents death in the line of duty.

- A copy of a Department of Veterans Affairs Death Narrative Document
- A determination letter acknowledging eligibility for certain federal benefits under the Public Safety Officers Benefit (PSOB) program administered by the Department of Justice.
- A written letter of attestation or determination made by a state or local government official with supervisory or other relevant oversight authority of an individual who died in the line of duty while serving as a public safety officer.
- Documentation of the student qualifying for a state tuition or other state benefit accorded to the children or other family members of a public safety officer.
- Other documentation the school determines to be from a credible source that describes or reports the circumstances of the death and the eligible occupation of the parent or guardian.
