# Grants-at-a-Glance

## 2021-22

### By the numbers

The Institutional Grants office has shattered institutional records in funding that supports the Educational Master Plan. It is noteworthy that these achievements have been made during the COVID-19 pandemic.

# \$14,539,657\*

During the 2021-22 year, AHC had 36 active grants and \$14,539,657 in funding supporting the Educational Master Plan.

# 2

The number of staff in the Institutional grants office

# 35%

35% (\$5,158,490) of the active funding on campus were newly funded projects supporting student achievement

# 8/6/11/7/5

Of the newly funded grant projects; 8 projects support Connection with Students, 6 support Successful Entry into an area of Interest and Program of Study, 11 support Student Progression of Study, 7 support Student Completion and 5 support Transition to Transfer and/or gainful employment.

*\*Total active grants includes federal, state and local multi-year funding still remaining.*
