I. Alignment of the Program with the AHC Mission

AHC Mission: Allan Hancock College fosters an educational culture that values equity and diversity and engages students in an inclusive learning environment. We offer pathways that encourage our student population to achieve personal, academic, and career goals through coursework leading to associate degrees, certificates, transfer, and skills building.

a. Have there been any changes that would require a change to your Program Mission?

No.

b. Explain how your program mission aligns with the college mission.

The college mission and values can be found here: https://www.hancockcollege.edu/about/mission.php

The Human Services Program prepares students for employment in the interpersonal helping fields and for the pursuit of higher academic goals by providing educational experiences that emphasize intellectual and technical excellence, creativity, personal and interpersonal skills, professionalism, and cultural competence.

II. Student Success, Program Accessibility and Program Capacity

*NO data analysis required this year.

N/A

a. Describe how the program works to promote student success (completions job placement, transfer). Include teaching innovations and use of academic and student support.

The Human Services Programs provide the knowledge and skills necessary for entry level employment positions in the social service, mental health, addiction treatment, substance use prevention, and related fields, as well as opportunities for upgrading the skills and knowledge of individuals already employed in these fields. Program graduates work in a number of varied settings including drug and alcohol addiction treatment and prevention, family services, parent education, social service eligibility workers, youth shelters, community health care, juvenile corrections, and case management services, to name a few. The human services field is rated among the top twenty growing job opportunities both in California and the nation.

b. List any notable accomplishments of the program (student awards, honors, or scholarships can be listed here also)

N/A			

III. Quality and Innovation in the Program and Curriculum Review

a. Are you on track in your assessment plan for course and program SLOs? If not, please explain why.

No. There is no fulltime faculty/coordinator to complete the assessment plan.

b. Have you shared your assessments or improvement plans with your department, program or advisory committee? If so, what actions resulted? If not, how do you plan to do so in the future?

N/A

c. Did any of section, course or program improvement plans indicate that your program would benefit from specific resources in order to support student learning and/or faculty development? If so, please explain.

No.

d. In reviewing your outcomes and assessments have you identified any and all that indicate a modification should be made to the course outline, the student learning outcomes or the program outcomes? Please state what modifications you will be making.

N/A	

e. Have all course outlines been reviewed within the last 5 years? If not, please explain the plan to bring course outlines up to date and include timelines for the review and submission to AP&P.

Yes.

f. For **CTE courses/programs only**, as per §55003, have prerequisites, corequisites and advisories (PCAs) for courses and/or programs been reviewed within the last 2 years?

Yes.			

IV. Focus and Engagement of the Program

a. Summarize major trends and opportunities as well as challenges that have emerged in the program

The program needs a fulltime faculty member/coordinator.

b. List any (internal or external) conditions that have influenced the program in the past year.

Many of the part-time instructors are getting reasonable accommodations so that they can continue to remotely.

Data for Program with Vocational TOP Codes (CTE): https://misweb.cccco.edu/perkinsv/Core_Indicator_Reports/Default.aspx Please review the data and comment on any trends. c. Current industry employment and wage data (please cite sources) Suggested sources: <u>ONet Online</u> and <u>EDD LMI site</u>

d. Industry employment and wage trends

Data were obtained from the United States Bureau of Labor Statistics on key occupations for which the Human Services Program offers training and certificates. A brief summary of BLS statistics indicates the following:

- Community and social service occupations are growing "faster than the average for all occupations."
- Job prospects for Social and Human Service Assistants are "overall good," with the proviso that additional education and training will be beneficial for those seeking employment in this field.
- The percent change in demand for substance abuse and behavioral disorder counselors is projected to be 22 percent from 2014 to 2024.
