FALL ANALYSIS

Enrollments dipped a bit for 2025 and are now only up 1% compared to 2024. When IE went to our new data source one of the pieces missing from the reg report was FTES. Next week the data will line up again and I will include FTES as a 'Graph Data' option. However, an early look at the data shows FTES for 2025 should be up about 1.5% compared to 2024.

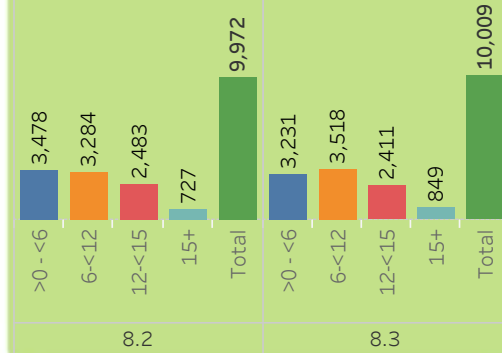

Next analysis week of 9/22
