The Community

Educational Attainment: Persons 25+

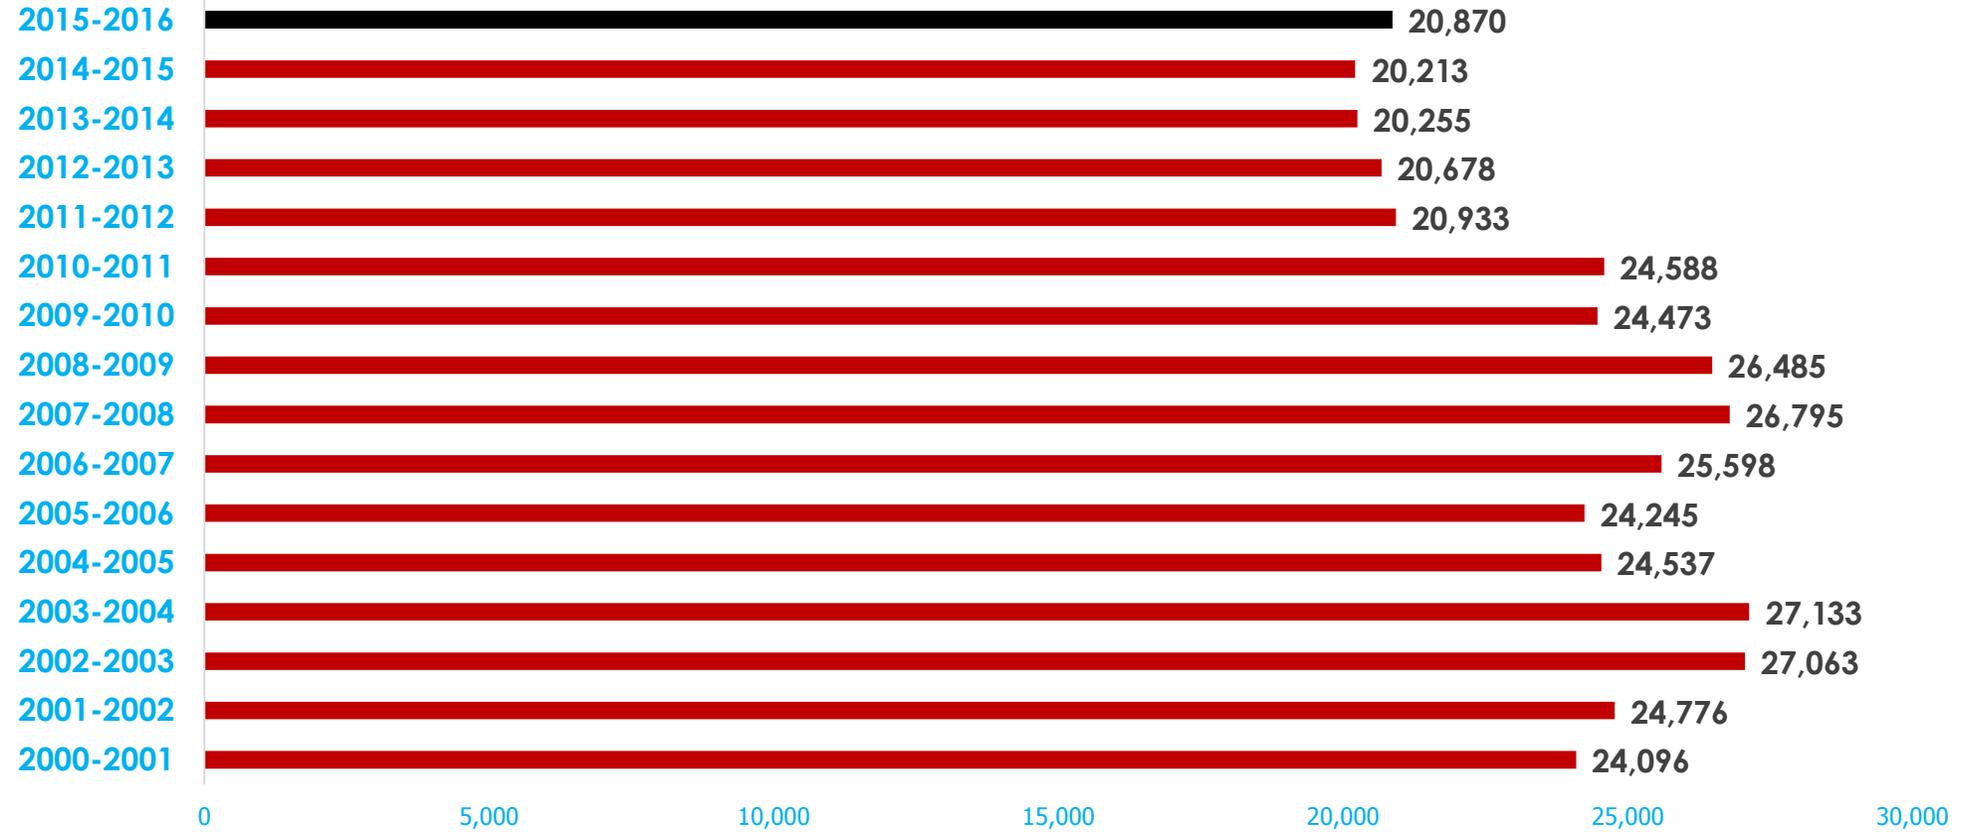

Educational attainment in Santa Maria and Lompoc (the largest cities in the district) are lower than unincorporated areas, the county as a whole, and the state. Santa Maria and Lompoc have a larger percentage of adults with no high school degree (41% in Santa Maria and 25% in Lompoc) and fewer than 14% with a bachelor's degree. Poverty is higher in these regions of low educational attainment as well.

Financial Aid at AHC

Source: Office of Institutional Effectiveness

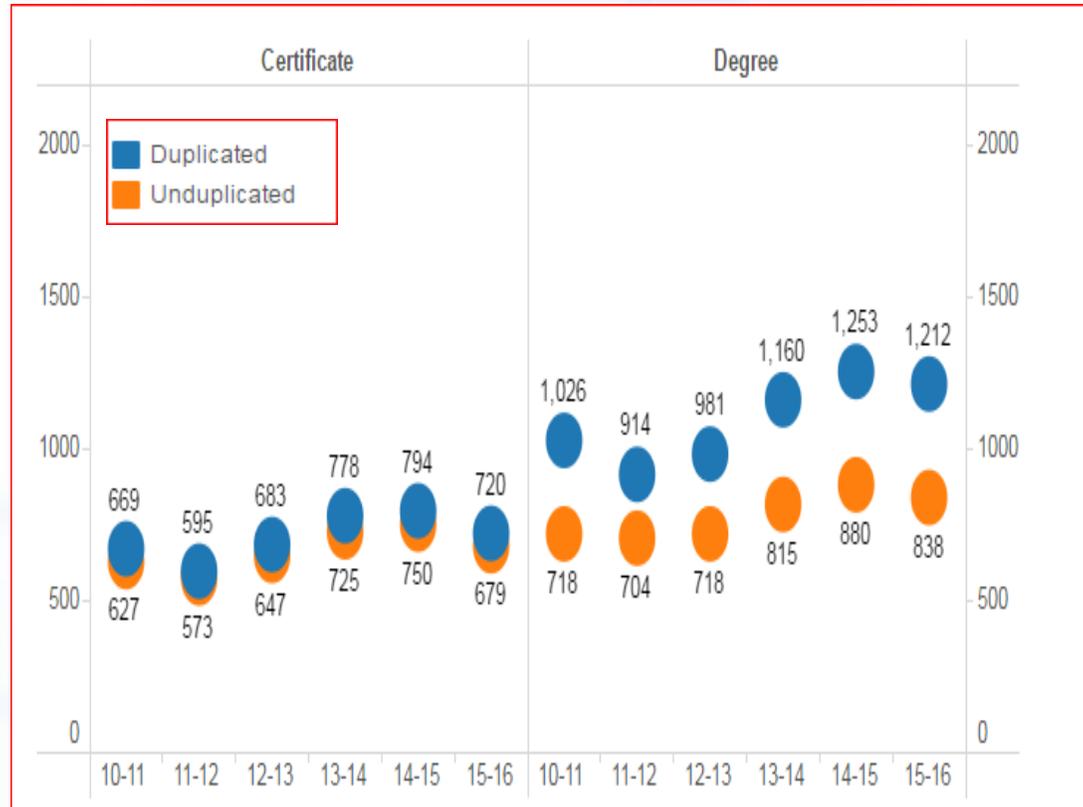

The college has continued to make aid available for students. From 2009-10 until 2013-14, total financial aid disbursements outpaced the increase in enrollment. Aid grew in 2014-15 at a rate that matched the increase in enrollment.

Cohort Transfer Rate: 2009-10 to 2014-15

Cohorts are first-time college students with a minimum of 12 units earned who attempted a transfer level math or English course. The outcome is transfer to a four-year institution within a given time period subsequent to initial enrollment.

Cohort Completion Rates

Degree, Cert, Transfer Prep., Transfer

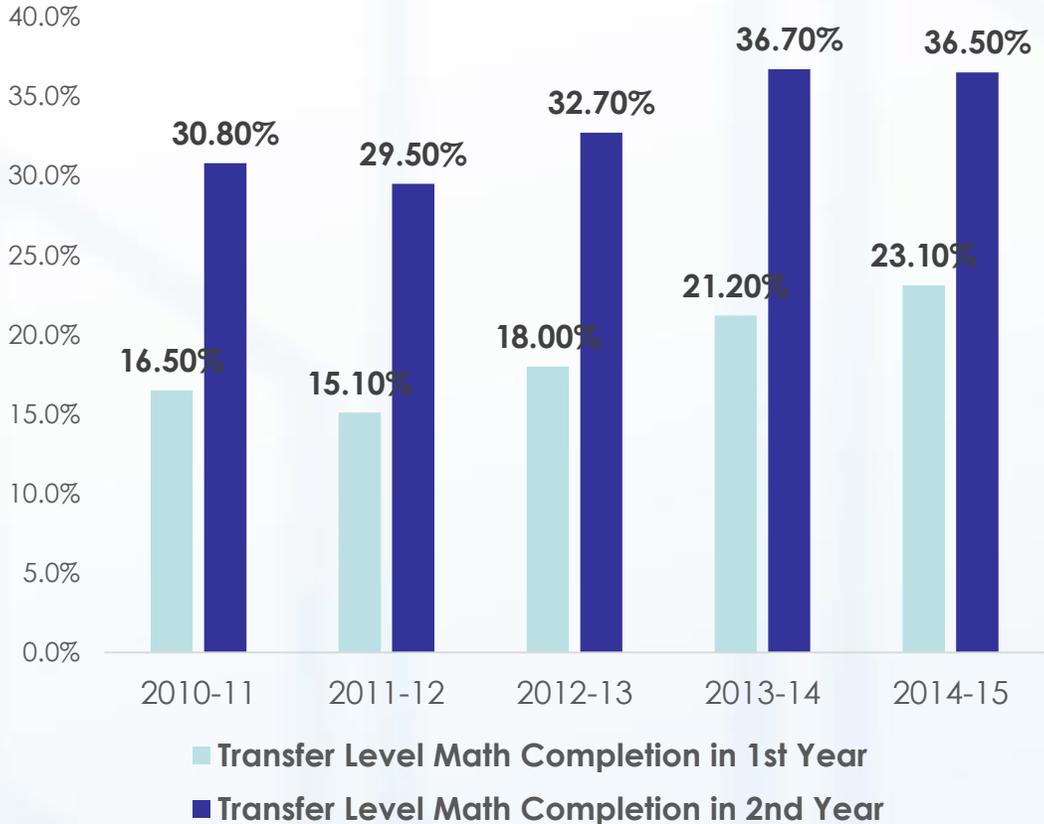

Completion of a degree, certificate or transfer outcome within six years of starting

Recent Trends in Math and English

Completion of Transfer Level English

Completion of Transfer Level Math

The percent of first-time students who complete 6 units and attempt any Math or English in their first year who complete a transfer-level course in Math or English in their first or second year

CTE 2016 Survey

Skills-building students from Allan Hancock College were surveyed if they met one of the following criteria in 2013-2014, and did not enroll in 2014-2015: earned a certificate of 6 or more units, earned a vocational degree, or earned 9+ CTE units.

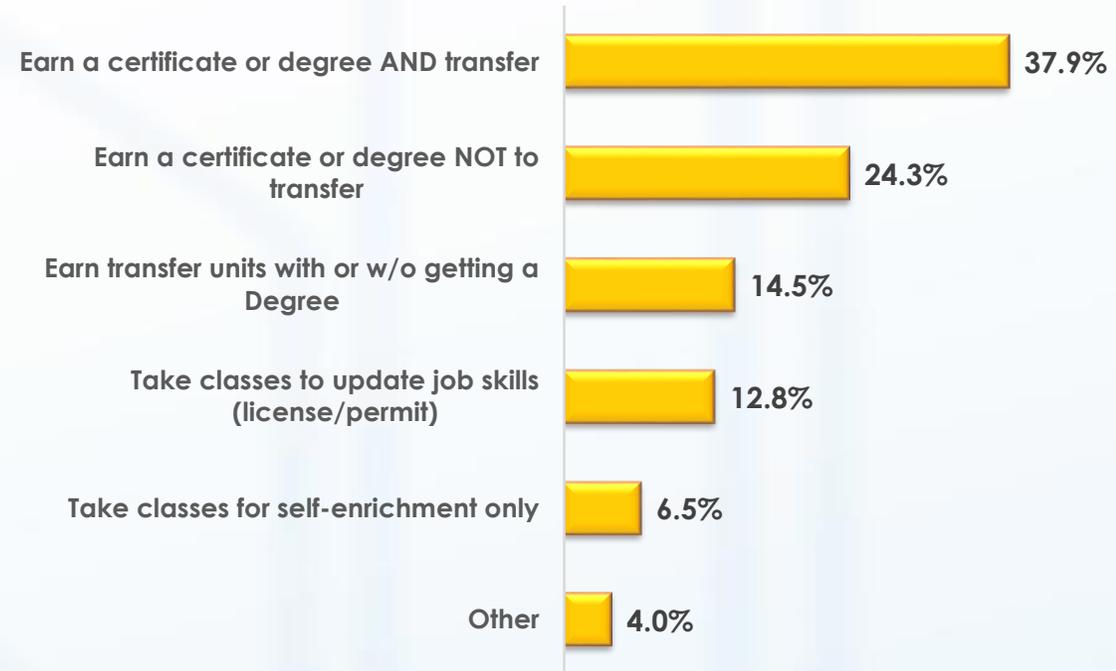

A total of 1,565 students were surveyed and 585 unduplicated students responded, 127 of whom responded by e-mail (21.7%), 357 by telephone (61.0%), and 101 (17.3%) by US Mail, for a total overall response rate of 37.4%.
