

STEM STUDENTS

Prepare for your spring 2026 STEM classes over winter break!

Enroll in the **ONLINE STEM Skills Lab** to prepare for
CHEM 120, 150, 151 AND/OR Math 141, 181, and 182

This not-for-credit, online skills lab is designed to assist STEM students review and strengthen skill sets important for academic success in CHEMISTRY and PRE-CALCULUS/CALCULUS courses.

*Complete the lab before spring classes begin, and access it
any time throughout the semester for a refresher.*

Sign up today! This lab is voluntary, and no fees required.
