SUMMER & FALL PRINTED CLASS SCHEDULE: Every effort has been made to assure the accuracy of this printed schedule of classes. Classes and programs offered, together with other matters contained herein, are subject to change without notice. The college further reserves the right to add, amend or repeal any of its rules, regulations, policies or procedures consistent with applicable laws. Some courses may be established for the term after publication of this Schedule at a Glance. For the most current class information, visit Search Classes at www.hancockcollege.edu.

OPEN CLASS POLICY: It is the policy of Allan Hancock Joint Community College District that, unless specifically exempted by statute, every course, course section, or class, the full-time equivalent student (FTEs) of which is to be reported for state aid, whenever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and meets such prerequisites as may be established pursuant to Title 5 of the California Administrative Code.

Limited English language skills will not be a barrier to admission to the college and to participation in its academic and vocational programs.

La limitacion en el idioma de ingles no sera una barrera para ser admitidos en el colegio y participar en los programas educacionales y vocacionales.

Our Mission: Allan Hancock College fosters an educational culture that values equity and diversity and engages students in an inclusive learning environment. We offer pathways that encourage our student population to achieve personal, career, and academic goals through coursework leading to skills building, certificates, associate degrees, and transfer.

The Allan Hancock Joint Community College District ("District") is committed to equal opportunity in employment and all access to institutional programs and activities. The District, and each individual who represents the District, shall provide access to its employment opportunities, services, classes, and programs without regard to national origin, religion, age, sex or gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or military and veteran status of any person, or because he or she is perceived to have one or more of the foregoing characteristics or based on association with a person or group with one or more of these actual or perceived characteristics.

Allan Hancock College will provide, upon request, alternate translation of its general information documents in large print, Braille, e-text etc. Please call 805-922-6966 ext. 3188.

SUMMER/FALL 2022 CREDIT CLASSES

ALLAN HANCOCK COLLEGE

SCHEDULE AT A GLANCE

CHANGE YOUR ODDS!

Summer classes begin June 13.

Fall classes begin August 15.

All classes are \$46 per credit. Other fees may apply.

805-922-6966 | www.hancockcollege.edu

NEW THIS FALL!

GET YOUR DEGREE AT THE LVC

Hancock now offers 12 individual degree programs that can be completed exclusively in-person at our Lompoc Valley Center!

These new programs allow Lompoc residents to earn a two-year degree in their community. Available LVC degree programs include business administration, math and science, psychology, and social and behavioral science. Day and night classes are available.

Register for classes and earn your degree at the LVC!

Learn more at www.hancockcollege.edu/lvcdegrees

YOUR DEGREE. YOUR SCHEDULE.

Life gets busy. It's challenging to juggle education as a working adult.

Hancock is here to help!

Beginning this fall, earn a degree with classes that run for no more than eight weeks each semester. Most are offered on nights and weekends and available degrees include business administration, arts and humanities, and psychology.

Get started on your path to a degree today and register for classes at www.hancockcollege.edu/flex

Steps to Enrollment

1

Complete the Online Admission Application

Go to www.hancockcollege.edu and select Apply to Hancock on the home page. You will be directed to the California Community College Online Application (Open CCCApply).

It is important that you complete BOTH steps:

1. Create a CCCApply account and receive a CCCID, and
2. Complete the application for admission for Allan Hancock College

To complete the application, you will need

- A copy of your high school transcript
- Your Social Security Number, if you have one
- An email address

After completing the application for admission, two emails will be sent to the address you provide on your application:

- One is from CCCApply containing that username and CCCApply ID and
- One from AHC containing your AHC student ID number (H#) and your myHancock username and password

You will need this information to register for classes.

Note: If you completed prerequisite work at another college/university or you plan to obtain an associate degree or a certificate, you must submit official transcripts to the Admissions & Records office before registering for classes or applying for your degree or certificate. If you have completed Advanced Placement (AP) testing, be sure to send official test scores to the Admissions & Records office.

For assistance with the application process, contact the Admissions & Records office. Admissions & Records is open via phone, email, or in person in bldg. A on the Santa Maria campus and bldg. 1 at the Lompoc Valley Center.

Call 805-922-6966 ext. 3248 or email admissions_help@hancockcollege.edu.

2

Apply for Financial Aid

Now more than ever, do not let a lack of money get in the way of your college education. Financial aid is available year-round to help cover college costs like tuition, books, supplies, and sometimes, even rent. There are many different types of financial aid, such as grants and scholarships (which you do not have to pay back), and loans. The first step is to apply—even if you aren't sure you will qualify, because applying for financial aid will help qualify you for the Hancock Promise and the new Hancock Promise Plus!

The Free Application for Federal Student Aid (FAFSA)

(www.fafsa.gov) is available every year on October 1.

For undocumented, Dream Act-eligible students, the California Dream Act Application (CADAA) (<https://dream.csac.ca.gov>) is your first step to receiving financial aid. Apply as soon as you can to get the most financial aid possible.

For assistance applying for financial aid, the Financial Aid office is open via phone, email, and in-person services in bldg. A on the Santa Maria campus and at the Lompoc Valley Center.

For questions, call 805-922-6966 ext. 3200 or email finaid@hancockcollege.edu.

3

Complete the Online Orientation

All new students are required to complete the online orientation. You will learn about student support services, college success tips, and other important “need to know” information. Access the online orientation through your myHancock portal.

Questions? Call the Counseling department at 805-922-6966 ext. 3293 or email counseling@hancockcollege.edu.

4

Check Your English and Math Placement

Your English and math skills will be assessed based on your high school and/or official college transcripts as reported to the college via CCCApply or through previous courses taken at an accredited institution. You may view your placement by logging into your myHancock portal and selecting “My English and Math Placement” under the “Registration” tab. If you feel your past performance in math and English does not reflect your academic ability, contact an AHC counselor to see what the best option for placement is for you. Call 805-922-6966 ext. 3293 or email counseling@hancockcollege.edu.

Need help with registration?

Call the Registration Hotline at 805-922-6966 ext. 3248.

ASSISTANCE AVAILABLE Monday-Thursday 8 a.m.-4:30 p.m.

Friday 8 a.m.-4 p.m.

Summer 2022

Open Registration Continues through June 12
College Now! Registration May 9 - June 12
Classes begin June 13

Fall 2022

Open Registration Continues through August 14
College Now! Registration May 9 - August 14
Classes begin August 15

Registration with an add code begins the first scheduled day of each class. Email your instructor to obtain the code.

5

Complete a First-Semester Plan

All new students are required to create a first-semester plan with a counselor. A counselor will assist you in understanding your English and math placement, identify your academic goal, and develop a first-semester plan.

To connect with a counselor, call 805-922-6966 ext. 3293 or email counseling@hancockcollege.edu.

6

Register for Classes

Log on to your myHancock portal and verify your registration date under the "Registration Status" tab.

For assistance with registering for classes, contact the Admissions & Records office. Admissions & Records is open via phone, email, or in person in bldg. A on the Santa Maria campus and bldg. 1 at the Lompoc Valley Center.

Call 805-922-6966 ext. 3248 or email admissions_help@hancockcollege.edu.

Summer Registration:
April 25-June 12

Summer classes begin:
June 13

Fall Registration:
April 25-August 14

Fall classes begin:
August 15

Note: Beginning the first scheduled day of each class, students must obtain an add code from the instructor in order to register for a credit class, whether the class is full or not.

7

Pay Your Enrollment Fees

When registering for classes, fees must be paid by the established deadlines. For complete information regarding all fees and deadlines, visit www.hancockcollege.edu/fees.

For more information and resources to complete the registration process, visit www.hancockcollege.edu/register.

Attention Hancock Promise class of 2022-23!

Enroll at AHC immediately after graduating high school and receive your first-year tuition free!

Every Promise student will also receive funds to help with the cost of textbooks.

Start the application process now.

Visit www.hancockcollege.edu/promise for information and requirements.

KEEP HANCOCK HEALTHY

Allan Hancock College is committed to providing a safe and healthy learning environment for students, faculty, staff, and the community.

Currently, all students, faculty, and staff are required to provide COVID-19 vaccination documentation or submit to regular testing in order to come onto any Hancock campus.

Visit our COVID-19 site for vaccination & testing requirements, FAQs, and more.

For full details on Hancock's COVID-19 vaccine and testing requirements, plus details on how to safely access Hancock facilities, visit www.hancockcollege.edu/covid

Please help us keep Hancock healthy by continuing to practice preventative measures:

- Consider getting the COVID-19 vaccine
- For those who remain unvaccinated, follow the college's testing requirements
- DO NOT come to campus if you are experiencing COVID-19 symptoms or have been exposed to someone experiencing COVID-19 symptoms and/or who has tested positive for the Coronavirus
- Contact Student Health Services if you are experiencing COVID-19 symptoms or have been exposed to someone experiencing COVID-19 symptoms and/or who has tested positive for the Coronavirus
- Follow all posted signage related to safety protocols while on campus
