## OUR SERVICES

### Removal Defense

Our volunteer attorneys and staff attorney provide no-cost legal representation to people in detention who are seeking release through bond, and people who are fighting their immigration court case following their release from detention.

### Community Education

ILDC conducts Know Your Rights (KYR) presentations so that immigrants are informed of their rights should they encounter Immigration and Customs Enforcement. If you would like to schedule a presentation call our office!

### Community Clinics

We host community clinics to screen individuals for immigration relief, assess their criminal record, and determine whether they have a final order of deportation.
