#### LAW ENFORCEMENT ACADEMY

#### Dear Prospective Academy Recruit:

The Allan Hancock College Basic Law Enforcement Academy has earned a reputation for quality training. Our distinguished instructors have played an important role in developing the program, but it is the students that make the program truly successful. Since the Academy was established in 1968, over 1,700 students have graduated from the program with approximately ninety percent attaining law enforcement positions with agencies in California and other states. They have proven to be well trained to perform the multifaceted duties required of peace officers. Many of our graduates have been promoted to high-ranking positions within their organizations.

Our primary goal at the Academy is to prepare you to be a fully capable and employable law enforcement officer. To accomplish this, you will need to understand what it takes to be a peace officer, and the dedication required to complete Academy training. This information packet will provide you with information on Academy expectations, admissions procedures, and general standards for employment.

Our staff is available to assist with questions you may have regarding the training and admission requirements. We hope you will see the advantages of beginning your law enforcement career at Allan Hancock College Law Enforcement Academy, your first step to success.
