- **Advance Placement (AP):** Designated senior-level honors courses that provide college credit for students scoring at a certain level on a final examination
- **Placement Tests:** Tests administered by colleges to determine the entry-level placement of students in certain basic courses such as English, mathematics, foreign language and science
- **TOEFL:** The Test of English as a Foreign Language is used to evaluate the English proficiency of people whose native language is not English. The test in listening, reading comprehension and structure/written expression measures the ability to understand North American English.

Costs/Financial Aid

- **College Costs:** The cost of attending college includes tuition/registration fees, books/supplies, housing, transportation and personal expenses.
- **Tuition/Registration Fees:** may be based on such factors as the number of units and the cost of supplies, equipment, parking and related fees.
- **Financial Aid:** Money available from colleges and universities, the federal and/or state government and various community resources to help meet college expenses. Aid possibilities include grants, loans, scholarships and work study programs.
- **Financial Aid Application:** In California the Free Application for Federal Student Aid (FAFSA) is used to apply for most forms of financial aid.
- **Financial Need:** the difference between projected college costs and the expected family contribution based on evaluation of the FAFSA and supporting documents
- **Cal Grants:** California Financial Aid program available to California college-bound students based on high school academic achievement or family financial need

Special Programs and Services

- **Cooperative Education Programs:** combine classroom and related work experience. Student's alternate college coursework and related work internship by term or concurrently enroll in college and serve an internship on a part-time basis.
- **Disabled Students Program and Services (DSPS):** programs provided for students with verified disabilities and whose functional limitations require specialized services (e.g. counseling, mobility assistance, readers, interpreters, note takers, tutoring and test-taking assistance)
- **Educational Opportunity Programs (EOP):** University of California and California State University programs which provide special admission and enrollment support services for students who normally do not meet regular admission requirements and are economically disadvantaged, but who demonstrate the potential to succeed with help. Emphasis is primarily on students who may not have been able to attend college because of cultural, economic or educational background. Similar programs are offered by many other colleges under different names.
- **Extended Opportunity Programs/Services (EOPS):** community college programs which provide both financial and learning-skills assistance to students who may not have been able to attend college because of cultural, economic or educational background
- **Honors Programs:** provide special courses for high academic achievers often within the framework of general education. Programs may feature workshops, seminars and small group discussion sessions.
- **Internship/Coops:** provide students with opportunities to obtain credit through a carefully monitored campus or community work experience related to educational objectives.
- **Reserve Officers Training Corps (ROTC):** a program which upon completion of four years of appropriate college coursework and training, leads to commission in the U.S. Army, Air Force or Navy
- **Residence Hall (Dormitories):** campus living facilities usually reserved for unmarried students
- **Study Abroad/International Study Programs:** provide a year or more of study at a cooperating college in a foreign country with credit counting toward graduation requirements.

NEED HELP REGISTERING FOR SUMMER AND/OR FALL 2025 CLASSES?

Receive help registering for Allan Hancock College summer and/or fall 2025 classes!

***At your high school | Thursday May 1, 2025, 9 a.m.–2 p.m. Or**

Allan Hancock College, Santa Maria Campus | Saturday, May 3, 2025, 9 a.m.–2 p.m.

PREPARE TO REGISTER FOR CLASSES:

- ☐ Save your myhancock username and password in a safe place. You will need this information to register for classes.
- ☐ Make a list of your "CRNs" (Course Reference Numbers). A CRN is a unique number for each course used when registering for classes. Class search/CRN information will be available starting April 14.
- ☐ If you earned a 3 or better in AP exam(s), log in to your College Board account and send a PDF copy of your "AP score report" to transcripts@hancockcollege.edu.
- ☐ If you attended Hancock, we have your transcripts. If you completed a course through another college, **order** your **official** transcripts online from that college to be sent to AHC Admissions and Records at Transcript Evaluation Specialist 800 S. College Drive, Santa Maria, CA, 93454-6399 or preferably electronically to transcripts@hancockcollege.edu. Must be directly sent from a certified vendor, not the student.

SUMMER CLASSES BEGIN JUNE 9 (SIX- AND EIGHT-WEEK CLASSES).

FALL CLASSES BEGIN AUGUST 18 (17-WEEK CLASSES).

***Priority registration for Hancock Promise students is only available upon completion of steps 1-3 AND creation of a first-semester plan.** Scan QR code or visit hancockcollege.edu/promise/highschool.php for more information.

Need assistance or have event questions? contact your AHC Outreach Specialist (Scan QR code or visit hancockcollege.edu/newstudents/index.php for your assigned high school's Outreach Specialist).

Map of UC Campus Locations

The University of California has nine undergraduate campuses. In addition, UC San Francisco is devoted to the health sciences, offering professional programs in dentistry, medicine, nursing, pharmacy, physical therapy and dental hygiene, as well as graduate programs in the health and social sciences.

Before enrolling at UCSF, students must complete a minimum of two, and usually three or more, years of college-level work at another institution

WHY CHOOSE THE CSU?

- We are the nation's largest system of higher education and one of the most diverse.
- You have 23 universities to choose from—spanning the state from Cal Poly Humboldt in the north to San Diego State in the south.
- More than 40 percent of CSU undergraduates transfer from California Community Colleges.
- More than 80 percent of all CSU students receive some type of financial aid.
- Our universities offer more than 4,000 job-ready degrees as well as a wide range of educational opportunities, including applied research, hands-on learning and mentoring from world-class faculty.
- More than half of CSU students who earn their bachelor's degree graduate with no loan debt.

THE TRANSFER SUCCESS PATHWAY PROGRAM OFFERS YOU:

- Guaranteed admission to one of 23 universities.
- Additional academic advising while you're a community college student.
- Access to the CSU Transfer Planner to stay on track.
- More options to advance your education and your career.

AT THE CSU? **WE DO.**

CSU The California
State University
TRANSFER SUCCESS PATHWAY
DUAL ADMISSION TO THE CSU

A SEAMLESS PATH TO YOUR CHOSEN CSU

With the Transfer Success Pathway program, you can take the first steps toward earning your four-year degree while you're enrolled at a community college. If you're entering a California Community College for the first time, the Transfer Success Pathway program guarantees you admission to a CSU so you can keep moving ahead.

As a Transfer Success Pathway student, you'll have access to **personalized support** as you make the transition from community college to a CSU within three years. You can receive **pre-admission advising** to help select classes and receive invitations to **events at your chosen university**.

In short, you'll have access to more guidance and help to ensure all your hard work at your community college transfers to the CSU.

"Going to community college and working two jobs was a lot, but I ended up getting through it and transferring to Dominguez Hills. My advisor has supported me a lot; now I'm on the path of applying to grad school."— **Gabriel Ramirez, B.S., Sociology, CSU Dominguez Hills**

TAKE THE FIRST STEP

Find out if you're eligible for the Transfer Success Pathway program. Eligible students can enter into an agreement with one university of their choice. This agreement indicates that you intend to transfer from community college to this CSU within three years.

YOU MAY BE ELIGIBLE IF:

- You're a recent high school graduate or you earned a GED and you haven't earned any college credit since completing high school.
- You're a first-time freshman entering a California Community College and were not eligible to attend the California State University when you graduated from high school.
- You're a first-time freshman who was eligible to attend the CSU, but you didn't do so because of personal or financial reasons.
- You were admitted to a CSU campus, but the campus wasn't your first choice.

YOUR TRANSFER SUCCESS PATHWAY

01 CREATE AN ACCOUNT ON THE CSU TRANSFER PLANNER.

The CSU Transfer Planner portal makes it easy to check your eligibility. You can also explore CSU campuses and degree programs, finalize your agreement with one of our 23 universities and track coursework at your community college. If you've applied to the CSU in the past through Cal State Apply, you have a CAS ID, which you can link to your CSU Transfer Planner account.

02 FIND YOUR RIGHT FIT.

Now you're ready to look for the place and the program that's best for you: Explore any or all of the CSU's 23 member universities (calstate.edu/find-your-csu) and more than 4,000 degree programs (calstate.edu/degrees) to find the right fit.

Once you've chosen a university and a major, be sure to review the degree program transfer requirements, too; you'll find these in the CSU Transfer Planner. For each program, you'll see requirements for overall grade point average (GPA) and for the GPA in your major (this is your "transferable GPA"), as well as the minimum grade required for prerequisite courses and any other requirements.

03 SIGN AN AGREEMENT WITH YOUR CHOSEN CSU.

Now you're ready to enroll in the Transfer Success Pathway program through the CSU Transfer Planner. Choose a start date and sign one agreement with the university you selected. As a Transfer Success Pathway student, you're guaranteed admission to your chosen university for a future term! (You can only have **one** agreement, though you are able to cancel the agreement through the CSU Transfer Planner if your plans change.)

04 ACCESS CSU SERVICES.

In addition to the services you receive from your community college, as a student in the Transfer Success Pathway program you can get support and answers to your questions—including pre-admission advising—through your CSU.

Explore calstate.edu/student-services to learn more about what's available to you.
