Steps to Enrollment

1

Complete the Online Admission Application

Go to www.hancockcollege.edu and select Apply to Hancock on the home page. You will be directed to the California Community College Online Application (Open CCCApply).

It is important that you complete BOTH steps:

1. Create a CCCApply account and receive a CCCID, and
2. Complete the application for admission for Allan Hancock College

To complete the application, you will need

- A copy of your high school transcript
- Your Social Security Number, if you have one
- An email address

After completing the application for admission, two emails will be sent to the address you provide on your application:

- One is from CCCApply containing that username and CCCApply ID and
- One from AHC containing your AHC student ID number (H#) and your myHancock username and password

You will need this information to register for classes.

Note: If you completed prerequisite work at another college/university or you plan to obtain an associate degree or a certificate, you must submit official transcripts to the Admissions & Records office before registering for classes or applying for your degree or certificate. If you have completed Advanced Placement (AP) testing, be sure to send official test scores to the Admissions & Records office.

For assistance with the application process, contact the Admissions & Records office via phone, email, or in person in bldg. A on the Santa Maria campus and bldg. 1 at the Lompoc Valley Center.

Call 805-922-6966 ext. 3248 or email admissions_help@hancockcollege.edu.

2

Apply for Financial Aid

Now more than ever, don't let a lack of money get in the way of your college education. Financial aid is available year-round to help cover college costs like tuition, books, supplies, and sometimes, even rent. There are many different types of financial aid, such as grants and scholarships (which you do not have to pay back), and loans. The first step is to apply—even if you aren't sure you will qualify, because applying for financial aid will help qualify you for the Hancock Promise and the new Hancock Promise Plus!

The Free Application for Federal Student Aid (FAFSA)

(www.fafsa.gov) is available every year on October 1. For undocumented, Dream Act-eligible students, the California Dream Act Application (CADAA) (<https://dream.csac.ca.gov>) is your first step to receiving financial aid. Apply as soon as you can to get the most financial aid possible.

For assistance applying for financial aid, visit the Financial Aid office in bldg. A on the Santa Maria campus and bldg. 1 at the Lompoc Valley Center. For questions, call 805-922-6966 ext. 3200 or email finaid@hancockcollege.edu.

3

Complete the Online Orientation

All new students are required to complete the online orientation. You will learn about student support services, college success tips, and other important "need to know" information. Access the online orientation through your myHancock portal. Questions? Call the Counseling department at 805-922-6966 ext. 3293.

4

Check Your English and Math Placement

Your English and math skills will be assessed based on your high school and/or official college transcripts as reported to the college via CCCApply or through previous courses taken at an accredited institution. You may view your placement by logging into your myHancock portal and selecting "English and Math Placement" under the "Registration" tab. If you feel your past performance in math and English does not reflect your academic ability, contact an AHC counselor to see what the best option for placement is for you. Call 805-922-6966 ext. 3293.

PROMISE PLUS!
