**WINTER & SPRING PRINTED CLASS SCHEDULE:** Every effort has been made to assure the accuracy of this printed schedule of classes. Classes and programs offered, together with other matters contained herein, are subject to change without notice. The college further reserves the right to add, amend or repeal any of its rules, regulations, policies or procedures consistent with applicable laws. Some courses may be established for the term after publication of this Schedule at a Glance. For the most current class information, visit Search Classes at [www.hancockcollege.edu](http://www.hancockcollege.edu).

**OPEN CLASS POLICY:** It is the policy of Allan Hancock Joint Community College District that, unless specifically exempted by statute, every course, course section, or class, the full-time equivalent student (FTES) of which is to be reported for state aid, whenever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and meets such prerequisites as may be established pursuant to Title 5 of the California Administrative Code.

Limited English language skills will not be a barrier to admission to the college and to participation in its academic and vocational programs.

La limitación en el idioma de inglés no será una barrera para ser admitidos en el colegio y participar en los programas educacionales y vocacionales.

**Our Mission:** Allan Hancock College fosters an educational culture that values equity and diversity and engages students in an inclusive learning environment. We offer pathways that encourage our student population to achieve personal, career, and academic goals through coursework leading to skills building, certificates, associate degrees, and transfer.

The Allan Hancock Joint Community College District ("District") is committed to equal opportunity in employment and all access to institutional programs and activities. The District, and each individual who represents the District, shall provide access to its employment opportunities, services, classes, and programs without regard to national origin, religion, age, sex or gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or military and veteran status of any person, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

Allan Hancock College will provide, upon request, alternate translation of its general information documents in large print, Braille, e-text, etc. Please call 805-922-6966 ext. 3788.

## WINTER/SPRING 2022 CREDIT CLASSES

# ALLAN HANCOCK COLLEGE

**SCHEDULE AT A GLANCE**

**CHANGE YOUR ODDS! ENROLL TODAY.**

**Winter classes begin December 13, 2021.**

**Spring classes begin January 24, 2022.**

**All classes are \$46 per credit. Other fees may apply.**

**805-922-6966 | [www.hancockcollege.edu](http://www.hancockcollege.edu)**

# Now is the time to change your odds!

Whether you plan to graduate, transfer, or jump into a career, Hancock is here to help you reach your goals this spring!

There's never been a better time to be a Hancock Bulldog. You can register for hundreds of winter and spring classes that meet in-person, remote, or online. Need help? Hancock is with you every step of the way! We can help you register for classes, apply for financial aid, access tutoring and academic counseling, get free food for your family, and more.

Need more incentive? Check out the Hancock Promise Plus! ALL students who enroll in at least 12 units, receive FREE TUITION this year and next. New, continuing, and returning students are eligible. Learn more at [hancockcollege.edu/promiseplus](http://hancockcollege.edu/promiseplus).

Ready to get started? See inside for step-by-step guidelines for class enrollment and the resources available to help you along the way.

# Steps to Enrollment

1

## Complete the Online Admission Application

Go to [www.hancockcollege.edu](http://www.hancockcollege.edu) and select Apply to Hancock on the home page. You will be directed to the California Community College Online Application (Open CCCApply).

**It is important that you complete BOTH steps:**

1. Create a CCCApply account and receive a CCCID, and
2. Complete the application for admission for Allan Hancock College

**To complete the application, you will need**

- A copy of your high school transcript
- Your Social Security Number, if you have one
- An email address

**After completing the application for admission, two emails will be sent to the address you provide on your application:**

- One is from CCCApply containing that username and CCCApply ID and
- One from AHC containing your AHC student ID number (H#) and your myHancock username and password

You will need this information to register for classes.

**Note:** If you completed prerequisite work at another college/university or you plan to obtain an associate degree or a certificate, you must submit official transcripts to the Admissions & Records office before registering for classes or applying for your degree or certificate. If you have completed Advanced Placement (AP) testing, be sure to send official test scores to the Admissions & Records office.

For assistance with the application process, contact the Admissions & Records office via phone, email, or in person in bldg. A on the Santa Maria campus and bldg. 1 at the Lompoc Valley Center.

Call 805-922-6966 ext. 3248 or email [admissions\\_help@hancockcollege.edu](mailto:admissions_help@hancockcollege.edu).

2

## Apply for Financial Aid

Now more than ever, don't let a lack of money get in the way of your college education. Financial aid is available year-round to help cover college costs like tuition, books, supplies, and sometimes, even rent. There are many different types of financial aid, such as grants and scholarships (which you do not have to pay back), and loans. The first step is to apply—even if you aren't sure you will qualify, because applying for financial aid will help qualify you for the Hancock Promise and the new Hancock Promise Plus!

### The Free Application for Federal Student Aid (FAFSA)

([www.fafsa.gov](http://www.fafsa.gov)) is available every year on October 1. For undocumented, Dream Act-eligible students, the California Dream Act Application (CADAA) (<https://dream.csac.ca.gov>) is your first step to receiving financial aid. Apply as soon as you can to get the most financial aid possible.

For assistance applying for financial aid, visit the Financial Aid office in bldg. A on the Santa Maria campus and bldg. 1 at the Lompoc Valley Center. For questions, call 805-922-6966 ext. 3200 or email [finaid@hancockcollege.edu](mailto:finaid@hancockcollege.edu).

3

## Complete the Online Orientation

All new students are required to complete the online orientation. You will learn about student support services, college success tips, and other important "need to know" information. Access the online orientation through your myHancock portal.

Questions? Call the Counseling department at 805-922-6966 ext. 3293.

4

## Check Your English and Math Placement

Your English and math skills will be assessed based on your high school and/or official college transcripts as reported to the college via CCCApply or through previous courses taken at an accredited institution. You may view your placement by logging into your myHancock portal and selecting "English and Math Placement" under the "Registration" tab. If you feel your past performance in math and English does not reflect your academic ability, contact an AHC counselor to see what the best option for placement is for you.

Call 805-922-6966 ext. 3293.

**Area high school seniors who need assistance completing the FAFSA or Dream Act Application can sign up for a Cash for College workshop offered by the California Student Opportunity and Access Program (Cal-SOAP). Eligible high schools include:**

- Santa Maria, Pioneer Valley, Righetti, and Delta high schools
- Nipomo and Central Coast New Tech high schools
- Cabrillo, Lompoc, and Maple high schools
- Arroyo Grande and Lopez high schools
- Santa Ynez Valley Union High School

To sign up for a workshop, call 805-922-6966 ext. 3710 or visit [www.hancockcollege.edu/calsoap](http://www.hancockcollege.edu/calsoap)

## Need help with registration?

**Call the Registration Hotline at 805-922-6966 ext. 3248.**

**ASSISTANCE AVAILABLE Monday-Thursday 8 a.m.-4:30 p.m.**

**Friday 8 a.m.-4 p.m.**

# Winter 2022

**Open Registration** ..... Continues through December 12  
**College Now! Registration** ..... November 15-December 12  
**Classes begin December 13.**

**Registration with an add code begins the first scheduled day of each class. Email your instructor to obtain the code.**

## 5 Complete a First-Semester Plan

All new students are required to create a first-semester plan with a counselor. A counselor will assist you in understanding your English and math placement, identify your academic goal, and develop a first-semester plan. To connect with a counselor, call 805-922-6966 ext. 3293.

## 6 Register for Classes

Log on to your myHancock portal and verify your registration date under the "Registration Status" tab (available approximately one month before registration begins).

For assistance with registering for classes, contact the Admissions & Records office. Admissions & Records is open via phone, email, and in-person services in bldg. A on the Santa Maria campus and at the Lompoc Valley Center. Call 805-922-6966 ext. 3248 or email admissions\_help@hancockcollege.edu.

**Winter 2022 Registration:**  
November 1-December 12, 2021

**Winter classes begin:**  
December 13, 2021

**Spring 2022 Registration:**  
November 1-January 23, 2022

**Spring classes begin:**  
January 24, 2022

**Note:** Beginning the first scheduled day of each class, students must obtain an add code from the instructor in order to register for a credit class, whether the class is full or not.

# Spring 2022

**Open Registration** ..... Continues through January 23  
**College Now! Registration** ..... November 15-January 23  
**Classes begin January 24.**

## 7 Pay Your Enrollment Fees

When registering for classes, fees must be paid by the established deadlines. For complete information regarding all fees and deadlines, visit [www.hancockcollege.edu/fees](http://www.hancockcollege.edu/fees).

For more information and resources to complete the registration process, visit [www.hancockcollege.edu/register](http://www.hancockcollege.edu/register).

**ALL** students enrolling in at least 12 units receive **FREE TUITION** this year. **New, continuing, and returning students are eligible.**

For details, visit [hancockcollege.edu/promisepus](http://hancockcollege.edu/promisepus)

# Credit Classes Offered This Winter and Spring

For a complete list of winter and spring 2022 classes, visit [hancockcollege.edu/winterspring](http://hancockcollege.edu/winterspring) and check Class Search for the most up-to-date information.

## Business and Finance

Do you dream of one day starting your own business? Are you interested in how businesses, both big and small, can operate effectively and efficiently? Do you have an aptitude for managing money and/or people? Enroll in:

- |  |  |                  |
|--|--|------------------|
| Accounting                                   | Computer Business Office Technology (CBOT) | Entrepreneurship |
| Business                                     | Economics                                  | Real Estate      |
| Computer Business Information Systems (CBIS) |  |                  |

## People, Cultures & Languages

Do you enjoy learning about the differences, and similarities, of people and cultures throughout the world? Do changes in society, politics, religion, and education over time intrigue you? Are you interested in other languages or the acquisition of language? If you're looking for a career that involves a fundamental connection to the human experience, enroll in:

- |                              |                           |                      |
|------------------------------|---------------------------|----------------------|
| American Sign Language       | Family & Consumer Science | Personal Development |
| Anthropology                 | French                    | Philosophy           |
| Early Childhood Studies      | Geography                 | Political Science    |
| Education                    | Global Studies            | Psychology           |
| English                      | History                   | Reading              |
| English as a Second Language | Humanities                | Sociology            |
| Ethnic Studies               | Leadership                | Spanish              |
|                              | Library Skills            | Speech Communication |

## Creative Arts

Do you like to express yourself through music, drawing, or dance? Do you have a desire to create interesting and beautiful things through the use of technology or your own two hands? Enroll in:

- |                        |                         |                                 |
|------------------------|-------------------------|---------------------------------|
| Art                    | Film & Video Production | Multimedia Arts & Communication |
| Dance                  | Graphics                | Music                           |
| Drama and Theatre Arts |                         | Photography                     |

## Public Service

Do you feel a calling to help protect people and/or the environment? Do you like to challenge yourself physically and mentally? Do you have a passion for working hard and serving your community? Enroll in:

- |                                      |                                 |                                     |
|--------------------------------------|---------------------------------|-------------------------------------|
| Administration of Justice            | Environmental Health and Safety | Wildland Fire Technology            |
| Emergency Medical Services           | Fire Technology                 | Wildland Fire Technology Operations |
| Emergency Medical Services Paramedic | Law Enforcement                 |                                     |
|                                      | Paralegal Studies               |                                     |

## Health Sciences

Do you have a passion for helping others? Are you interested in how people or animals can recover from injuries and illnesses? Does using technology in dynamic environments to aid in the health and wellness of humans and animals excite you? If you are a caring individual who wants to help others, enroll in:

- |                  |                   |                       |
|------------------|-------------------|-----------------------|
| Dental Assisting | Human Services    | Nursing               |
| Health Education | Medical Assisting | Veterinary Technology |
|                  | Medical Billing   |                       |

## Food, Fashion & Fitness

Do you enjoy cooking, designing, or creating unique experiences for people? Are you passionate about living an active, healthy lifestyle? If you are excited by the idea of creating something that people enjoy or providing a service that improves quality of life for others, enroll in:

- |                   |                           |                                 |
|-------------------|---------------------------|---------------------------------|
| Athletic Training | Food Science & Nutrition  | Interior Design & Merchandising |
| Cosmetology       | Intercollegiate Athletics | Physical Education Recreation   |
| Culinary Arts     |                           |                                 |
| Fashion           |                           |                                 |

## Sciences & Technologies

Are you fascinated by things like medicine and vaccines, genetically modified foods, or the human body? Do space and ocean exploration excite you? Do you have a passion for building or fixing cars or computers? If you see yourself working in a profession where you solve real problems by creating sustainable solutions, enroll in:

- |                         |                                      |  |
|-------------------------|--------------------------------------|--|
| Agribusiness            | Chemistry                            | Mathematics                                |
| Apprenticeship Training | Computer Science                     | Physical Science                           |
| Architecture            | Electronics                          | Physics                                    |
| Astronomy               | Engineering                          | Science Technology Engineering Mathematics |
| Auto Body Technology    | Engineering Technology               | Viticulture and Enology                    |

## Looking for Free Community Education Classes?

Spring Community Education classes are listed in the online Class Search.

Printed Spectrums will be mailed to area homes January 4.

For more information, visit [www.hancockcollege.edu/communityeducation](http://www.hancockcollege.edu/communityeducation)

# KEEP HANCOCK HEALTHY

Allan Hancock College is committed to providing a safe and healthy learning environment for students, faculty, staff, and the community.

Currently, all students, faculty, and staff are required to provide COVID-19 vaccination documentation or submit to regular testing in order to come onto any Hancock campus.

Visit our COVID-19 site for vaccination & testing requirements, FAQs, and more.

For more information, visit [www.hancockcollege.edu/covid](http://www.hancockcollege.edu/covid).

## Please help us keep Hancock healthy by continuing to practice preventative measures:

- Consider getting the COVID-19 vaccine
- For those who remain unvaccinated, follow the college's testing requirements
- DO NOT come to campus if you are experiencing COVID-19 symptoms, were recently exposed to someone experiencing COVID-19 symptoms, and/or recently exposed to someone who has tested positive for the Coronavirus
- Contact Student Health Services at 805-922-6966 ext. 3212 if you are experiencing COVID-19 symptoms or were recently exposed to someone experiencing COVID-19 symptoms and/or who has tested positive for the Coronavirus
- Follow all posted signage related to masking and other safety protocols while on campus

## Resources for your success

Allan Hancock College offers many resources to help you achieve success in your classes.

### Visit [HancockCollege.edu/covid](http:// HancockCollege.edu/covid) for information about:

# The future is now even more promising at AHC!

Allan Hancock College has expanded the Hancock Promise. The Promise Plus will pay tuition for ALL students enrolled full time this academic year and next. New, continuing and returning students are eligible.

## The Hancock Promise

First year free at AHC for high school seniors who graduate from a high school in the Allan Hancock Joint Community College District and enroll full time at Hancock immediately after graduation.

For details, visit [hancockcollege.edu/promise](http://hancockcollege.edu/promise).

## PROMISE

## PLUS!

## Hancock Promise Plus

Full-time free at AHC! ALL students enrolling in at least 12 units receive FREE TUITION.

### HOW TO QUALIFY:

1. Apply for admission
2. Complete your FAFSA or CDAА (Dream Act) application
3. Enroll in a minimum of 12 units
4. Accept the Promise Plus via your myHancock portal by Dec. 29, 2021, for winter classes and Feb. 18, 2022, for spring classes.

Learn more at [hancockcollege.edu/promiseplus](http://hancockcollege.edu/promiseplus).
