Transcript Entry

Enter transcript information exactly as it appears on your transcript. Your transcript details will be reviewed by a quality assurance team. If there are inaccuracies, your application will be sent back to you, and this will result in delays in submitting your application. All courses must be included, even if you did poorly or later repeated the course. If you have transfer credits, enter these credits from the institution where you originally took the course.

After you enter transcript information for all colleges attended, you will complete Transcript Review. In Transcript Review you will be asked to identify additional attributes about your coursework including Primary College and courses that are Repeated, Advanced Placement, Other Tests, Honors, and Study Abroad.

General Guidelines: Enter courses under the institution where you originally took the course, and enter information exactly as it appears on your transcript (include any planned and in-progress coursework). Include all courses, even if you did poorly or later repeated the course. If you are using Advanced Placement (AP), CLEP, or International Baccalaureate (IB) tests to satisfy general education requirements, add a course for each test. For the course title, enter AP and the name of the exam (for example AP Exam Calculus).

IMPORTANT: You must enter coursework so that a CSU GPA can be calculated properly.

Transfer Applicants: [Click here](#) to review a Transfer Credit Entry.

Returning Applicants: If you are returning to the same CSU that you last attended and have not taken any college courses at another institution, select "I Am Not Adding Any College Transcripts." If you have taken courses at another institution, enter the coursework for that institution. If you are applying to an additional campus as a new applicant, you will need to enter all transcript information.

Graduate and Credential Applicants: Only enter courses that are in-progress or planned. Select "I am Not Adding Any College Transcripts" if you don't have in-progress or planned coursework. If you entered multiple colleges in the Colleges Attended section and have in-progress or planned coursework for at least one of those colleges, complete the following tasks:

1. Enter the in-progress or planned coursework under the appropriate college(s).
2. For all other colleges where you don't have planned or in-progress coursework, enter a single completed course for that college. You can choose any completed course.
